Lead HVAC Technician

Description

Up to a \$3,000 SIGN-ON BONUS!*

We are expanding and need another personable heating and cooling technician. We have been in business almost 30 years and have a great following of clients. We are looking for a people person who enjoys his job and wants to grow within the heating and cooling field.

Our work area is mostly between Westborough and Boston. We would expect you to be able to handle repair calls from small ductless split type systems to 15-ton rooftop units and all that is in-between. You will need the ability to use a hand held tablet for invoicing. You would be sent from your home directly to the customers to begin your day. Attention to detail and being aware of your work environment is key.

We offer great benefits including health insurance, vision insurance, dental insurance, short and long term disability, paid vacation, 401K with company match. CPS provides the option to sell additional items to earn extra spending money. We also hold monthly raffles based on customer responses to give away tools to help you with your job. We also want you to be the best at what you do, so we are constantly offering training, both on the job site in real time or at our office during our monthly meeting.

If you want to go to a HVAC company that appreciates your hard work and wants to help you be successful we would love to hear from you.

COVID-19 considerations:

All Employees are provided masks, gloves and hand sanitizer to keep them safe.
