

Preventative Maintenance Membership

Why a CPS Membership makes sense for your home and family:

- Maintain peak efficiency of your heating and cooling system
- Conserve fuel and reduce wear & tear on your equipment
- Save every month—winter and summer—on utility bills
- Extend the life of your heating and/or cooling system
- Reduce the likelihood of costly, unexpected repairs
- Improve the air quality inside your home with clean filters
- Enjoy peace of mind that your family will always be comfortable
- Friendly, knowledgeable technicians perform all maintenance

Benefits included in a CPS Standard Maintenance Membership:

- Priority service over non-agreement customers
- Automatic reminders for scheduling Spring/Fall inspections
- Multi-point inspection; routine maintenance prolongs life of equipment, reduces energy costs
- Replace/clean filters as necessary
- Replace/check humidifier water panels as necessary
- Gas Furnace/Boiler efficiency testing
- Lubricating, adjusting, safety testing of specified equipment
- Receive 50% off normal diagnostic fee*
- Receive 15% off all repairs related to covered equipment

* After hours/holiday calls carry a higher diagnostic fee, but repairs are at a reduced rate.
